## CPAs & ADVISORS

### INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees  
Trout Unlimited, Inc.  
Arlington, Virginia

#### Opinion

We have audited the accompanying financial statements of Trout Unlimited, Inc. (TU), which comprise the statements of financial position as of March 31, 2022 and 2021, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of TU as of March 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TU and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TU's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TU's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TU's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards on pages I-(27 - 45), as required by Title 2 U.S. Code of Federal Regulations (CFR) *Part 200*, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 6, 2022, on our consideration of TU's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of TU's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering TU's internal control over financial reporting and compliance.

## TROUT UNLIMITED, INC.

### NOTES TO FINANCIAL STATEMENTS MARCH 31, 2022 AND 2021

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION

##### Organization -

Trout Unlimited, Inc., (TU) brings together diverse interests to care for and recover rivers and streams, so our children can experience the joy of wild and native trout and salmon. TU is a not-for-profit organization with approximately 340,000 members and supporters in over 400 chapters and councils nationwide. TU also receives U.S. Government grants that are subject to audit by its oversight agency (largest U.S. Government funder), the U.S. Department of Interior.

The following programs and supporting services are included in the accompanying statements of activities:

**Conservation Operations:** Conservation operations include TU's network of regional offices that conduct regionally-based conservation initiatives and TU's Science Team which promotes science-based policies, guides where and how the organization conducts its conservation efforts, provides tools for more effective conservation planning and ground-work, and conducts original research with a host of collaborators.

**Volunteer Operations and Chapter Support:** Volunteer operations is the department responsible for coordinating the activities of chapter operations; providing leadership training and guidance to state councils; and identifying, assessing and responding to the needs of the various states' volunteer conservation efforts.

**Communications:** The communications department is responsible for educating the public on the importance of trout and salmon watershed conservation. It publishes the quarterly TROUT magazine, the monthly Lines to Leaders newsletter and TU's annual report. The communications department is also responsible for other publications, maintaining TU's website, generating press releases, conducting press conferences and other public relations.

**Government Affairs:** Government affairs deals with legislative and regulatory affairs directly relating to the mission of Trout Unlimited, Inc. on both the Federal and state levels.

**Management and General:** This supporting service category includes the functions necessary to secure the proper administrative functioning of TU's governing board, maintain an appropriate working environment, provide information technology tools and support, and manage the financial responsibilities of TU.

**Fundraising:** This supporting service category includes expenditures that provide the structure necessary to encourage and secure private financial support.

**Membership Development:** Membership Development manages the campaigns that solicit for prospective members and membership dues and the retention of current members. This department also provides support to membership. This support takes the form of member/chapter database maintenance, responding to member queries, providing rosters, and fulfilling premiums.

##### Basis of presentation -

The accompanying financial statements are presented on the accrual basis of accounting, and in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. As such, net assets are reported within two net asset classifications: without donor restrictions and with donor restrictions.

TROUT UNLIMITED, INC.

NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 2022 AND 2021

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION**  
(Continued)

Basis of presentation (continued) -

Descriptions of the two net asset categories are as follows:

- **Net Assets Without Donor Restrictions** - Net assets available for use in general operations and not subject to donor restrictions are recorded as "net assets without donor restrictions". Assets restricted solely through the actions of the Board are referred to as Board Designated and are also reported as net assets without donor restrictions.
- **Net Assets With Donor Restrictions** - Net assets may be subject to donor-imposed stipulations that are more restrictive than TU's mission and purpose. Some donor imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Donor imposed restrictions are released when the restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Other donor imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue without donor restrictions when the assets are placed in service.

New accounting pronouncements adopted -

During the year ended March 31, 2022, TU adopted ASU 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. This guidance improves generally accepted accounting principles (GAAP) by increasing the transparency of contributed nonfinancial assets for not-for-profit (NFP) entities through enhancements to presentation and disclosure. The amendments in this Update address certain stakeholders' concerns about the lack of transparency relating to the measurement of contributed nonfinancial assets recognized by NFPs, as well as the amount of those contributions used in a NFP's programs and other activities. The ASU was applied on a retrospective basis. The amendment did not change the recognition and measurement requirements for those contributed nonfinancial assets.

Cash and cash equivalents -

TU considers all cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents with the exception of cash held in the investment portfolio.

The total amount of cash and cash equivalents included in the investment portfolios for the years ended March 31, 2022 and 2021 were \$2,745,646 and \$2,984,479, respectively.

TU maintains its cash in bank deposit accounts that are insured by the Federal Deposit Insurance Corporation ("FDIC") up to a limit of \$250,000. At times during the year, TU maintains cash balances in excess of the FDIC insurance limits. Management believes the risk in these situations to be minimal.

Investments -

Investments are recorded at their readily determinable fair value. Interest, dividends, realized and unrealized gains and losses are included in investment (loss) income, net of management fees in the Statements of Activities and Changes in Net Assets.

**TROUT UNLIMITED, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**MARCH 31, 2022 AND 2021**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION**  
**(Continued)**

Investments (continued) -

TU invests in a professionally managed portfolio that contains various securities that are exposed to risks such as interest, market and credit. Due to the level of risk associated with such investments and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in risks in the near term could materially affect investment balances and the amounts reported in the financial statements.

Receivables -

Receivables include contributions and other receivables carried at original invoice amount less an estimate for doubtful accounts based on a review of all outstanding amounts on a quarterly basis which approximates fair value. Management determines the allowance for doubtful accounts by identifying troubled accounts and by using the historical experience applied to an aging of accounts. Receivables are allowed for and recorded as bad debt expense when deemed doubtful of collection, and written off when deemed uncollectable. Recoveries of receivables previously written off are recorded when received.

The provision for doubtful accounts totaled \$274,032 and \$276,509 as of March 31, 2022 and 2021, respectively. All receivables are expected to be collected within one-year and are considered to be current assets.

Inventory -

Inventory consists of merchandise and is recorded under FASB ASU 2015-11 *Simplifying the Measurement of Inventory*, and as such, inventory is measured at the lower of cost and net realizable value using the average cost method.

Property and equipment -

Property and equipment in excess of \$2,500 are capitalized and stated at cost. Property and equipment are depreciated on a straight-line basis over the estimated useful lives of the related assets, generally five to ten years. Leasehold improvements are amortized over the remaining life of the lease. The cost of maintenance and repairs is recorded as expenses are incurred.

Depreciation and amortization expense for the years ended March 31, 2022 and 2021 totaled \$111,055 and \$291,784, respectively.

Impairment of long-lived assets -

Management reviews asset carrying amounts whenever events or circumstances indicate that such carrying amounts may not be recoverable. When considered impaired, the carrying amount of the assets is reduced, by a charge to Statements of Activities and Changes in Net Assets, to its current fair value.

Income taxes -

TU is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. TU is not a private foundation.

**TROUT UNLIMITED, INC.**

**NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 2022 AND 2021**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION  
(Continued)**

Uncertain tax positions -

For the years ended March 31, 2022 and 2021, TU documented its consideration of FASB ASC 740-10, *Income Taxes*, that provides guidance for reporting uncertainty in income taxes and has determined that no material uncertain tax positions qualify for either recognition or disclosure in the financial statements.

Revenue recognition -

The majority of TU's revenue is received through contributions as well as contracts and grants from the U.S. Government, and other non Federal entities. Contributions and grants are recognized in the appropriate category of net assets in the period received. TU performs an analysis of the individual contribution, grant and contract to determine if the revenue streams follow the contribution rules, or if they are considered exchange transactions, depending on whether the transaction is reciprocal or nonreciprocal under ASU 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and Accounting Guidance for Contributions Received and Contributions Made*.

For contributions and grants qualifying under the contribution rule, revenue is recognized upon notification of the award and satisfaction of all conditions, if applicable. Conditional promises to give are not recognized until the conditions on which they depend are substantially met. Contributions and grants qualifying as contributions that are unconditional and have donor restrictions are recognized as "without donor restrictions" only to the extent of actual expenses incurred in compliance with the donor-imposed restrictions and satisfaction of time restrictions. Funds in excess of expenses incurred are shown as net assets with donor restrictions in the accompanying financial statements.

Grants and contributions qualifying as conditional contributions contain a right of return from obligation provision that limits TU on how funds transferred should be spent. Additionally, a barrier is present that is related to the purpose of the agreement. Revenue is recognized when the condition or conditions on which they depend are substantially met. Most grant awards from the United States Government and other entities are for direct and indirect program costs. These transactions are nonreciprocal and are classified as conditional and are therefore recognized as contributions when the revenue becomes unconditional. TU recognizes revenue for these conditional contributions when the related barrier has been overcome (generally, when qualifying expenditures are incurred). Funds received in advance of the incurrence of qualifying expenditures are recorded as refundable advances. For contributions and grants treated as contributions, TU had approximately \$36,129,688 and \$57,681,718 in unrecognized conditional awards as of March 31, 2022 and 2021, respectively.

Grants and contracts classified as exchange transactions follow ASU 2014-09, *Revenue from Contracts With Customers*, and are recorded as revenue at a point in time when the performance obligations are met. TU has elected to opt out of all (or certain) disclosures not required for nonpublic entities. The revenue is recorded directly to without donor restrictions and the transaction price is based on expenses incurred in compliance with the criteria stipulated in the grant or contract agreements. Grants and contracts receivable represents amounts due from funding organizations for reimbursable expenses incurred in accordance with the grant and contract agreements. Funding received in advance of incurring the related expenses for non Federal sources are recorded as deferred revenue and those amounts from the United States Government are classified as refundable advances in the Statements of Financial Position.

**TROUT UNLIMITED, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**MARCH 31, 2022 AND 2021**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION**  
**(Continued)**

Revenue recognition (continued) -

Membership dues includes a contribution component and general member benefits component that is based on a series of distinct obligations.

Membership contributions are recognized in full at time of payment and membership benefit fees are recognized ratably over the membership period. Revenue received from landowner projects are recorded once the project is complete. Transaction price is determined based on cost/and/or sales price.

In-kind revenue -

In-kind revenue consists of donated software. The software is recorded based upon the fair value of the licenses from the provider. The donated software was used for the Conservation Operations program, and is included in other expenses on the statement of functional expenses. There are no donor restrictions on the licenses. In-kind revenue is recorded at fair value as of the date of the gift. In addition, volunteers have donated significant amounts of their time to TU; these donated services are not reflected in the financial statements since these services do not meet the criteria for recognition as contributed services.

Risks and uncertainties -

TU invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying financial statements.

Use of estimates -

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Advertising -

TU expenses advertising costs as incurred. Advertising expense was \$182,327 and \$183,481 for the years ended March 31, 2022 and 2021, respectively.

Functional allocation of expenses -

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statements of Activities and Changes in Net Assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited. These costs include depreciation and amortization, headquarters rent, information technology, and website. Expenses directly attributed to a specific functional area of TU are reported as direct expenses to the programmatic area and those expenses that benefit more than one function are allocated on a basis of estimated time and effort.

**TROUT UNLIMITED, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**MARCH 31, 2022 AND 2021**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION**  
**(Continued)**

Joint cost allocation -

TU regularly communicates to the public and TU members via mailings regarding key issues critical to conserving, protecting and restoring coldwater fishery habitats. These mailings also include requests for contributions.

Included in the costs of the packages that were mailed during the years ended March 31, 2022 and 2021, were joint costs in the amount of \$1,302,912 and \$856,802, respectively. Those joint costs are allocated as follows:

	<b>2022</b>	<b>2021</b>
Program	\$ 397,740	\$ 257,919
Fundraising	905,172	598,883
<b>TOTAL</b>	<b>\$ 1,302,912</b>	<b>\$ 856,802</b>

Fair value measurement -

TU adopted the provisions of FASB ASC 820, *Fair Value Measurement*. FASB ASC 820 defines fair value, establishes a framework for measuring fair value, establishes a fair value hierarchy based on the quality of inputs (assumptions that market participants would use in pricing assets and liabilities, including assumptions about risk) used to measure fair value, and enhances disclosure requirements for fair value measurements. TU accounts for a significant portion of its financial instruments at fair value or considers fair value in their measurement.

In accordance with FASB ASC 820, *Fair Value Measurement*, TU has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument.

Investments recorded in the Statements of Financial Position are categorized based on the inputs to valuation techniques as follows:

**Level 1.** These are investments where values are based on unadjusted quoted prices for identical assets in an active market TU has the ability to access.

**Level 2.** These are investments where values are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, or model-based valuation techniques that utilize inputs that are observable either directly or indirectly for substantially the full-term of the investments.

**Level 3.** These are investments where inputs to the valuation methodology are unobservable and significant to the fair value measurement.

For disclosure of inputs and valuation techniques, see Note 4.

**TROUT UNLIMITED, INC.**

**NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 2022 AND 2021**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION  
(Continued)**

New accounting pronouncement, not yet adopted -

ASU 2019-01, *Leases* (Topic 842), changes the accounting treatment for operating leases by requiring recognition of a lease asset and lease liability at the present value of the lease payments in the Statements of Financial Position and disclosure of key information about leasing arrangements. During 2020, the FASB issued ASU 2020-05 and delayed the implementation date by one year. The ASU is effective for non-public entities beginning after December 15, 2021. Early adoption is still permitted. The ASU can be applied at the beginning of the earliest period presented using a modified retrospective approach or applied at the beginning of the period of adoption recognizing a cumulative-effect adjustment.

**2. RECEIVABLES, NET**

Receivables consisted of the following as of March 31, 2022 and 2021:

	<b>2022</b>	<b>2021</b>
Federal grants - billed	\$ 5,514,791	\$ 4,178,697
Federal grants - unbilled	1,901,615	1,284,685
State grants - billed	4,487,599	6,853,418
State grants - unbilled	4,033,847	2,563,869
Other	8,318,862	4,708,214
Total	24,256,714	19,588,883
Less: provision for doubtful accounts	(274,032)	(276,509)
<b>RECEIVABLES, NET</b>	<b>\$ 23,982,682</b>	<b>\$ 19,312,374</b>

**3. PROPERTY AND EQUIPMENT**

Property and equipment, accumulated depreciation, and amortization and depreciation at March 31, 2022 are as follows:

<b>Asset Category</b>	<b>Estimated Lives</b>	<b>2022</b>			
		<b>Cost</b>	<b>Accumulated Depreciation and Amortization</b>	<b>Net</b>	<b>Depreciation/ Amortization Expense</b>
Furniture and equipment	5-10 years	\$ 5,183,268	\$ (5,006,588)	\$ 176,680	\$ 108,058
Leasehold improvements	10 years	65,566	(59,291)	6,275	2,997
Land	-	7,801	-	7,801	-
<b>TOTAL</b>		<b>\$ 5,256,635</b>	<b>\$ (5,065,879)</b>	<b>\$ 190,756</b>	<b>\$ 111,055</b>

TROUT UNLIMITED, INC.

NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 2022 AND 2021

3. PROPERTY AND EQUIPMENT (Continued)

Property and equipment, accumulated depreciation, and amortization and depreciation at March 31, 2021 are as follows:

Asset Category	Estimated Lives	2021			
		Cost	Accumulated Depreciation and Amortization	Net	Depreciation/Amortization Expense
Furniture and equipment	5-10 years	\$ 5,067,791	\$ (4,898,530)	\$ 169,261	\$ 281,617
Leasehold improvements	10 years	65,566	(56,294)	9,272	10,167

**TROUT UNLIMITED, INC.**

**NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 2022 AND 2021**

**4. INVESTMENTS (Continued)**

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the valuation methodologies used as of March 31, 2022.

- *Money Market Funds* - The fair value is equal to the reported net asset value of the fund.
- *Mutual Funds* - The fair value is equal to the reported net asset value of the fund, which is the price at which additional shares can be obtained.
- *Interests in Hedge Funds, Limited Partnerships, Private Equity Funds* - These instruments do not have a readily determinable fair value. The fair values used are generally determined by the general partner or management of the entity and are based on appraisals or other estimates that require varying degrees of judgment. Inputs used in determining fair value may include the cost and recent activity concerning the underlying investments in the funds or partnerships.

Included in the investment portfolio as of March 31, 2022 is contributions to be invested in perpetuity in the amount of \$7,505,767. As of March 31, 2021, \$5,005,767 of contributions to be invested in perpetuity were included in the investment portfolio, the remaining \$2,500,000 of endowment contributions were included with receivables and were invested in the portfolio when received. Also included in the investment portfolio are donor restricted investments in the amount of \$60,073 and \$61,579 for the North Carolina River Course Fund as well as \$446,186 and \$472,791 for the Michigan Council of Trout Unlimited as March 31, 2022 and 2021, respectively. These two donor restricted funds are included in the volunteer operations and chapter support as noted in Note 9.

Investment income, net, as of March 31, 2022 and 2021 are the following:

	<b>2022</b>	<b>2021</b>
Interest and dividends	\$ 490,995	\$ 286,317
Unrealized and realized (loss) gain	(429,226)	2,067,854
Management fees	(55,378)	(40,038)
<b>TOTAL INVESTMENT INCOME, NET</b>	<b>\$ 6,391</b>	<b>\$ 2,314,133</b>

**5. BENEFICIAL INTEREST IN CHARITABLE REMAINDER UNITRUST**

During fiscal year 2021, TU became the beneficiary of a charitable remainder unitrust created by a donor, the assets of which are not in the possession of TU. TU has legally enforceable rights and claims to such assets, including the sole right to income therefrom. TU is a remainder beneficiary of 5% of the trust assets and there is a lifetime income distribution of 5% to a designated beneficiary. At the date TU received notice of a beneficial interest, a contribution with donor restrictions was recorded in the accompanying Statements of Activities and Changes in Net Assets, and a beneficial interest in charitable remainder unitrust was recorded in the Statements of Financial Position at the fair value of the underlying trust assets. Thereafter, the beneficial interest in the trust is reported at the fair value of the trust's assets in the Statements of Financial Position, with trust distributions recognized as investment income and changes in fair value recognized as unrealized gains (losses) related to the beneficial interest. Both are reported as changes net assets with donor restrictions based on explicit donor stipulations.

**TROUT UNLIMITED, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**MARCH 31, 2022 AND 2021**

**5. BENEFICIAL INTEREST IN CHARITABLE REMAINDER UNITRUST (Continued)**

The fair value as of March 31, 2022 and 2021 of the beneficial interest which is included in the accompanying Statements of Financial Position was as follows:

	<b>Balance at March 31, 2022</b>	<b>Balance at March 31, 2021</b>
<b>Charitable Remainder Unitrust</b>	<b>\$ <u>54,125</u></b>	<b>\$ <u>54,125</u></b>

**6. LEASE COMMITMENTS**

TU has commitments under operating leases for office space and equipment expiring at various times through 2025. TU has a lease for office space that will expire in April 2024. Rent expense for the years ended March 31, 2022 and 2021, was \$811,580 and \$868,941 and is included in occupancy expense in the accompanying Statements of Functional Expenses. Future minimum lease payments at March 31, 2022 are as follows:

<u><b>Year Ending March 31.</b></u>	
2023	\$ 462,740
2024	<u>63,569</u>
	<b>\$ <u>526,309</u></b>

**7. LINE OF CREDIT**

TU has a \$5,000,000 revolving line of credit with a bank. The line matures on November 30, 2022. The line accrues interest at a rate equal to 2.27% at March 31, 2022. The line of credit is secured by the deposits and investments of TU maintained by the bank. There was no outstanding balance at March 31, 2022 and 2021. There are no financial covenants related to the line of credit. The agreement requires certain financial reporting to be made within 180 days after fiscal year-end.

**8. LOAN PAYABLE**

On April 21, 2020, TU received loan proceeds in the amount of \$3,337,300 under the Paycheck Protection Program. The promissory note calls for monthly principal and interest payments amortized over the term of the promissory note with a deferral of payments for the first six months. Under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), the promissory note may be forgiven by the Small Business Administration in whole or in part. TU used the proceeds for purposes consistent with the Paycheck Protection Program. During the year ended March 31, 2022 TU applied for and received forgiveness of the entire amount of the loan payable and accordingly, TU recorded revenue from debt extinguishment during the year ended March 31, 2022.

TROUT UNLIMITED, INC.

NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 2022 AND 2021

9. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions consisted of the following as of March 31, 2022 and 2021:

	<u>Balance at March 31, 2021</u>	<u>Additions/ Investment Income</u>	<u>Releases</u>	<u>Balance at March 31, 2022</u>
Subject to expenditure for specified purpose:

10. LIQUIDITY AND AVAILABILITY

Financial assets available for use for general expenditures within one year of the Statements of Financial Position date comprise the following:

	<u>2022</u>	<u>2021</u>
Cash and cash equivalents	\$ 10,910,843	\$ 11,127,689
Investments	14,902,601	12,359,415
Receivables, net	<u>23,982,682</u>	<u>19,312,374</u>
Subtotal financial assets available within one year	49,796,126	42,799,478
Less: Donor restricted funds	<u>(33,377,729)</u>	<u>(30,280,997)</u>
<b>FINANCIAL ASSETS AVAILABLE TO MEET CASH NEEDS FOR GENERAL EXPENDITURES WITHIN ONE YEAR</b>	<b><u>\$ 16,418,397</u></b>	<b><u>\$ 12,518,481</u></b>

**TROUT UNLIMITED, INC.**

**NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 2022 AND 2021**

**10. LIQUIDITY AND AVAILABILITY (Continued)**

TU has a policy to structure its financial assets to be available and liquid as its obligations become due. In addition, TU has a line of credit agreement (as further discussed in Note 7) which allows for additional available borrowings up to \$5,000,000.

**11. EMPLOYEE RETIREMENT PLAN AND SELF-INSURANCE PLAN**

TU maintains a 403(b) plan (the Plan) for eligible employees. All employees with at least one-year of service are eligible for the Plan. TU is required to contribute 4% of each eligible employee's gross salary to the Plan. TU's pension expense for the years ended March 31, 2022 and 2021 totaled \$1,512,994 and \$1,608,179, respectively.

TU has a self-insured health benefit plan for its employees. Under the Plan, TU has a coverage maximum of \$50,000 per diagnosis. TU is insured for claims in excess of that coverage. As of March 31, 2022 and 2021, TU had accruals of \$499,440 and \$358,682 for health benefits payable under the Plan, which are included in accounts payable and accrued liabilities in the accompanying Statements of Financial Position.

**12. CONTINGENCY**

TU receives grants from various agencies of the United States Government. For the years ended March 31, 2022 and 2021, such grants are subject to audit under the provisions of *Title 2 U.S. Code of Federal Regulations (CFR) Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. The ultimate determination of amounts received under the United States Government grants is based upon the allowance of costs reported to and accepted by the United States Government as a result of the audits. Audits in accordance with the applicable provisions have been completed for all required fiscal years through 2022. Until such audits have been accepted by the United States Government, there exists a contingency to refund any amount received in excess of allowable costs. Management is of the opinion that no material liability will result from such audits.

Various lawsuits and other contingent liabilities arise in the ordinary course of TU's activities. While the final outcome of these legal actions cannot be determined at this time, management is of the opinion that the ultimate liability, if any, from the final resolution of these matters will not have a material effect on TU's financial statements.

**13. ENDOWMENT**

TU's endowment consists of donor-restricted endowment funds and funds designated by the governing Board to function as endowments. As required by GAAP, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. The Board of Directors is subject to the Uniform Prudent Management of Institutional Funds Act (UPMIFA) and, thus classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions because those assets are time restricted until the governing Board appropriates such amounts for expenditures. Most of those net asset also are subject to purpose restrictions that must be met before reclassifying those net assets to net assets without donor restrictions.

**TROUT UNLIMITED, INC.**

**NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 2022 AND 2021**

**13. ENDOWMENT (Continued)**

The governing Board has interpreted UPMIFA as not requiring the maintenance of purchasing power of the original gift amount contributed to an endowment fund, unless a donor stipulates the contrary. As a result of this interpretation, when reviewing its donor-restricted endowment funds, TU considers a fund to be underwater if the fair value of the fund is less than the sum the (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. TU has interpreted UPMIFA to permit spending from underwater funds in accordance with the prudent measures required under the law.

Additionally, in accordance with UPMIFA, TU considers the following factors in making a determination to appropriated or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund;
- The purpose of the organization and the donor-restricted endowment fund;
- General economic conditions and the possible effect of inflation and deflation;
- The expected total return from income and the appreciation of investments; and
- Investment policies of the organization.

Endowment net asset composition by type of fund as of March 31, 2022:

Original donor-restricted gift amount and amounts required to be maintained in perpetuity by donor	\$ 7,505,767
Accumulated investment earnings:	
CCF	1,247,887
Teller	170,611
Idaho	308,667
Talcott	<u>(97,806)</u>
<b>TOTAL FUNDS</b>	<b><u>\$ 9,135,126</u></b>

Endowment net asset composition by type of fund as of March 31, 2021:

Original donor-restricted gift amount and amounts required to be maintained in perpetuity by donor	\$ 7,505,767
Accumulated investment earnings:	
CCF	1,403,238
Teller	187,187

<b>ENDOWMENT NET ASSETS AS OF MARCH 31, 2021</b>	<b>\$ -</b>	<b>\$ 9,417,420</b>	<b>\$ 9,417,420</b>

Funds with Deficiencies -

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the organization to retain as fund of perpetual duration. In accordance with GAAP, deficiencies of this nature are reported in net assets without donor restrictions. Deficiencies of this nature exist in one donor-restricted endowment fund, which has an original gift value of \$2,500,000, and a deficiency of \$97,806 as of March 31, 2022. This deficiency resulted from unfavorable market fluctuations that occurred after the investment of the donor-restricted endowment funds. There was no deficiency for the year ended March 31, 2021.

**TROUT UNLIMITED, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**MARCH 31, 2022 AND 2021**

**13. ENDOWMENT (Continued)**

Return Objectives and Risk Parameters -

TU's objective is to earn a respectable, long-term, risk-adjusted total rate of return to support the designated programs. TU recognizes and accepts that pursuing a respectable rate of return involves risk and potential volatility. Over complete market cycles, the goal is to have TU's assets generate a return, net of fees, greater than the benchmark index consisting of a combination of appropriate capital market indexes weighted in the same proportions as TU's asset allocation. To minimize the administrative costs and burdens, TU is currently only invested in publicly-traded fixed income and equity mutual funds and money market funds.

Strategies Employed for Achieving Objectives -

To satisfy its long-term rate-of-return objectives, TU relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). TU targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy -

**CCF Endowment:** The fund was developed to support the scientific resource work of TU and was funded through the Russell Memorial Fund (\$569,375) and other individual contributions. Up to 15% of the original contribution revenue was allocated to be spent on overhead and administrative costs associated with the Coldwater Conservation Fund program. The remaining portion of the overhead and administrative allocation was spent in fiscal year 2016. A portion of the current investment income from the Endowment's funds are to be spent annually, in accordance with TU's spending policy. Spending rate of 4.5% was set for the years ended March 31, 2022 and 2021.

**E.T. Teller Endowment:** This fund was established in 1995 by the Teller family. Per request by the donor, up to 50% of the annual earnings are available for general operations of TU. The other 50% should be reinvested in the fund.

**Idaho Water Fund:** This endowment was established in 2008 with grant funds from the Ishiyama Family Foundation. The purpose of the endowment is to fund the Idaho Water Project. A portion of the funds can be spent annually, in accordance with TU's spending policy. Funds in the amount of \$34,344 and \$38,859 were spent during the years ending March 31, 2022 and 2021, respectively.

**Talcott Endowment:** The Talcott endowment was established in 2021 with a bequest in the amount of \$2,500,000 from Thayer Talcott, Jr. The funds were restricted to TU's perpetual endowment with the income to be used to support the general purposes of TU. The funds had not been received as of March 31, 2021 and the bequest was recorded as a receivable within the accompanying Statement of Financial Position as of March 31, 2021. The funds were subsequently received in June 2021 and were invested in accordance with TU's investment policy for endowments and will be spent in accordance with TU's spending policy.

**14. SUBSEQUENT EVENTS**

In preparing these financial statements, TU has evaluated events and transactions for potential recognition or disclosure through December 6, 2022, the date the financial statements were issued.

SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS  
FOR THE YEAR ENDED MARCH 31, 2022

**Note 1. Basis of Presentation**

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the Federal award activity of TU under programs of the Federal Government for the year ended March 31, 2022. The information in this Schedule is presented in accordance with the requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. Because the Schedule presents only a selected portion of the operations of TU, it is not intended to and does not present the financial position, changes in net assets or cash flows of TU.

**Note 2. Summary of Significant Accounting Policies**

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. TU has elected not to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

**Note 3. Reconciliation of Schedule of Expenditures of Federal Awards to Financial Statements**

Expenditures per the Schedule of Expenditures of Federal Awards	\$ 15,557,235
Expenditures of Federal awards not subject to audit requirements under Uniform Guidance as noted by the grantor	<u>3,738,009</u>
<b>U.S. GOVERNMENT GRANTS PER STATEMENT OF ACTIVITIES AND CHANGE IN NET ASSETS</b>	<b><u>\$ 19,295,244</u></b>

**Note 4. Amounts Passed Through to Sub-Recipients**

Amounts passed through to subrecipients totaled \$216,699 for the year ended March 31, 2022 and are included in Grants and chapter rebates on the Statement of Functional Expenses.

TROUT UNLIMITED, INC.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS  
FOR THE YEAR ENDED MARCH 31, 2022

Section I - Summary of Auditor's Results

Financial Statements

1). Type of auditor's report issued on whether the financial statements audited were prepared in accordance with GAAP on the accrual basis of accounting: Unmodified

2). Internal control over financial reporting:

- Material weakness(es) identified?  Yes  No
- Significant deficiency(ies) identified?  Yes  None Reported

3). Noncompliance material to financial statements noted?  Yes  No

Federal Awards

4). Internal control over major Federal programs:

- Material weakness(es) identified?  Yes  No
- Significant deficiency(ies) identified?  Yes  None Reported

5). Type of auditor's report issued on compliance for major Federal programs: Unmodified

6). Any audit findings disclosed that are required to be reported in accordance with 2 CFR 200.516(a)?  Yes  No

7). Identification of major Federal programs:

Assistance Listing Number	Name of Federal Program or Cluster
11.438	Pacific Coast Salmon Recovery Pacific Salmon Treaty Program
15.631	Partners for Fish and Wildlife
81.000	Bonneville Power Administration
66.466	Chesapeake Bay Program

8). Dollar threshold used to distinguish between Type A and Type B programs: \$750,000

9). Auditee qualified as a low-risk auditee?  Yes  No

TROUT UNLIMITED, INC.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS  
FOR THE YEAR ENDED MARCH 31, 2022

**Section II - Financial Statement Findings**

**Finding 2022-001: Unauthorized External Charges in Operating Account**

**Criteria:** Title 2 CFR 200 Section 200.303 "Internal Controls" requires recipients of Federal funds to establish internal controls that should be in compliance with guidance in the "Integral Control Integrated Framework" issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

**Condition:** During our audit, we noted excessive amounts of unauthorized external charges processed through TU's operating bank account. The unauthorized charges began during November 2021 and persisted through the end of the year. Based on our review of a selected sample of months, it appears the bank's control procedures (i.e. positive pay) caught and refunded TU for all of the unauthorized activities. However, there was no immediate action taken by management to address and prevent the continued unauthorized transactions from occurring through the end of the year ended March 31, 2022.

**Context:** Not taking steps to address and prevent these unauthorized transactions opens TU and its donors to an unnecessary risk of theft and loss.

**Effect:** Numerous unauthorized transactions totaling hundreds of thousands of dollars were run through TU's operating account from the months of November 2021 through March 31, 2022. The bank's control procedures appear to have caught all the unauthorized transactions and refunded TU for these transactions.

**Cause:** TU did not take action to prevent these unauthorized transactions from occurring.

**Recommendation:** We recommend TU immediately close the compromised bank accounts and ensure a full reconciliation is completed to guarantee that all unauthorized funds were returned. Additionally, we recommend any and all unauthorized activity be immediately reported to management and the Board of Directors when necessary and action be taken to prevent the unauthorized activity from occurring in the future.

**Views of Responsible Officials and Planned Corrective Actions:** Management brought the fraudulent checks issue to the attention of the Treasury team at the bank in November 2021. At the time the bank advised that TU had all the appropriate and requisite positive pay controls in place to detect and prevent fraudulent checks; the bank made no recommendation to change or close existing accounts. The positive pay controls are set to default to "not pay" on any unmatched disbursements unless specifically authorized by TU for payment. TU did not incur any losses for unauthorized "fraudulent" payments. TU separately initiated an effort to redesign the current banking structure to put in place a new set of accounts to replace all existing bank accounts. The new structure provides a greater level of protection by creating a separate disbursements only account.

**Anticipated Completion Date:** December 2022

**Responsible Officials:** Jim Hughey, CFO; Elena Parkin, Controller

**Finding 2022-002: Reconciliation of Asset and Liability Accounts**

**Criteria:** Title 2 CFR 200 Section 200.303 "Internal Controls" requires recipients of Federal funds to establish internal controls that should be in compliance with guidance in the "Integral Control Integrated Framework" issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

TROUT UNLIMITED, INC.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS  
FOR THE YEAR ENDED MARCH 31, 2022

**Section II - Financial Statement Findings (Continued)**

**Finding 2022-002: Reconciliation of Asset and Liability Accounts (Continued)**

**Condition:** At the commencement of our audit fieldwork, we noted that several asset and liability accounts (i.e. receivables, prepaid expenses, fixed assets, accounts payable, net assets) were not properly reconciled as of March 31, 2022. As a result, a significant amount of time was spent by management during the audit process reconciling accounts.

**Context:** Not preparing timely reconciliations or resolving discrepancies noted during the reconciliation process can allow account balances to be misstated, thus providing inaccurate financial reporting.

**Effect:** Several account balances at year-end were not reconciled timely.

**Cause:** Due to the significant volume and complexity of transactions processed throughout the year and the relative size of TU's accounting department, TU was unable to prepare and follow up on all reconciliations during the year. As a result, several account balances were not reconciled timely and/or improperly stated at year-end.

**Recommendation:** We recommend TU establish policies and procedures to ensure reconciliation of account balances to the general ledger are performed timely. Any discrepancies noted during the process should be followed up and resolved immediately. We also recommend TU enhance their review and approval process to ensure the reconciliations are accurate and the financial data is properly stated throughout the year and at year-end.

**Views of Responsible Officials and Planned Corrective Actions:** Due to significant accounting team turnover during the year ended March 31, 2022, including the CFO and staff accountants, TU proactively engaged a third-party accounting service provider during the fiscal year to supplement accounting duties. While outsourced work allowed for achieving a timely year end close, challenges in onboarding new staff created strains on bandwidth and prevented timely review of these reconciliations, creating a delay in these final reconciliations past March 31, 2022.

To address staffing needs, TU has filled several critical accounting positions, including accounts receivables and CFO roles, and is actively recruiting additional resources. In addition, TU has reinforced its monthly closing process by instituting a closing checklist to include reconciliations for asset and liability accounts, for reference by both internal and third party.

TU plans addition corrective actions via addition of continued accounting resources to the internal team, as well as the implementation of new accounting software (Netsuite ERP) to facilitate a more automated and standardized reconciliation process across all accounts.

**Anticipated Completion Date:** March 31, 2023

**Responsible Officials:** Jim Hughey, CFO; Elena Parkin, Controller

**Section III - Federal Award Findings and Questioned Costs (2 CFR 200.516(a))**

There were no reportable findings.

CPAs & ADVISORS

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Trustees  
Trout Unlimited, Inc.  
Arlington, Virginia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Trout Unlimited, Inc. (TU), which comprise the statement of financial position as of March 31, 2022, and the related statements of activities, and cash flows for the year ended, and the related notes to the financial statements, and have issued our report thereon dated December 6, 2022.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered TU's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances, for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of TU's internal control. Accordingly, we do not express an opinion on the effectiveness of TU's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of TU's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying Schedule of Findings and Questioned Costs as Findings 2022-001 and 2022-002 that we consider to be significant deficiencies.

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether TU's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying Schedule of Findings and Questioned Costs as Findings 2022-001 and 2022-002.

## **TU's Response to Findings**

*Government Auditing Standards* requires the auditor to perform limited procedures on TU's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. TU's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## CPAs & ADVISORS

### INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Trustees  
Trout Unlimited, Inc.  
Arlington, Virginia

#### **Report on Compliance for Each Major Federal Program**

##### ***Opinion on Each Major Federal Program***

We have audited Trout Unlimited, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Trout Unlimited, Inc.'s major Federal programs for the year ended March 31, 2022. The TU's major Federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, The TU complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major Federal programs for the year ended March 31, 2022.

##### ***Basis for Opinion on Each Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the TU's and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major Federal program. Our audit does not provide a legal determination of The TU's compliance with the compliance requirements referred to above.

##### ***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to The TU's Federal programs.

## ***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the TU's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the TU's compliance with the requirements of each major Federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the TU's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the TU's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the TU's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### **Report on Internal Control over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a Federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a Federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a Federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
